RE: Enthusiastic and Hard-Working Web Designer

Dear Hiring Professional,

After learning of the web designer opening with your company, I am attaching my resume in consideration for this role. I graduated from CDI college with a Web Design and Programming in Designing. I have researched and learned a great deal about your organization's mission and I am confident that my background and attributes will bring further support of your company's values.

Being highly attentive to detail, I strive for accuracy and consistency in my daily individual performance, team contributions, and task completion. Further, I offer teamwork, critical thinking and scheduling flexibility.

I look forward to speaking with you about my academic and professional background. I am certain that my management and multitasking strengths will bring an invaluable new facet to your existing team. I would like to schedule an interview to learn additional details of the position and explore the contributions I can bring to positively impact your Company's success.

Thank you for your time and consideration.

Sincerely,

Kanwardeep Singh
